

Specification

Product Name: Hickory Liquid Smoke

Product Code: SPEC0149

Description:

Yellow to light brown liquid.

Odour & Flavour:

Characteristic. Conforms to standard.

Ingredients:

Liquid Smoke (Hickory Wood Chips, Water), Sunflower Oil.

Dietary Information:

Suitable for Vegans, Ovo-lacto Vegetarians & Vegetarians, Non-GMO, Gluten Free, Halal Friendly and Kosher Friendly, Allergen Free, Non-Irradiated, No added sugar.

Nutritional Information:

Nutritional Information: Energy: 1673.6kj/400kcal (Based on 100g).

Storage:

Store in cool, dry conditions in the original, unopened containers. Reseal securely after opening.

Packaging:

30ml, 1 Litre, 5 Litre.

Country of Origin:

United Kingdom.

Shelf Life:

24 months if stored as above and unopened.

Density (g/ml) at 20°C:

0.905 – 0.925.

Refractive Index at 20°C:

1.455 – 1.475.

**Flashpoint °C (closed cup):**

>100.

Labelling according to Regulation (EC) No. 1334/2008:

Flavouring.

Hazards:

Non-hazardous.

Allergen Declaration

Allergen	Contains (Y/N)
Cereals containing Gluten	N
Crustaceans	N
Eggs	N
Fish	N
Peanuts	N
Soybeans	N
Milk	N
Nuts	N
Celery	N
Mustard	N
Sesame Seeds	N
Sulphur Dioxide and Sulphites (at concentration of more than 10mg/kg or 10mg/L in terms of Sulphur Dioxide)	N
Lupin	N
Molluscs	N

Material Safety Data Sheet**1: Identification of the substance and of the company:**

Product: Flavouring Hickory Liquid Smoke, Company:

Special Ingredients Ltd, 4 Foxwood View, Chesterfield, S41 9RN. Tel: 0044 (0)1246 906247,

<https://specialingredients.co.uk/pages/contact>**2: Hazards Identification:****2.1 – Classification of the substance or mixture:**

Classification under regulation (EC) No. 1272/2008

Non hazardous.

2.2 – Label elements:**Signal Word:** Non-hazardous.www.specialingredients.co.uk

3: Composition And Information on Ingredients:

Does not contain substances in concentrations equal to or greater than the limits specified in regulation (EC).

4: First Aid Measures:

Inhalation: Remove to fresh air and keep at rest, Ingestion: Do not induce vomiting. Rinse mouth with water and obtain medical advice immediately, Skin contact: Remove contaminated clothing. Wash skin with plenty of soap and water, Eye contact: Flush immediately with water for at least 15 minutes then seek medical attention.

5: Firefighting Measures:

Extinguishing media: Suitable media: Carbon dioxide, foam or dry powder, Unsuitable: Water, Combustion Products: Carbon dioxide, carbon monoxide, and unidentified organic compounds, For fire fighters: Wear protective clothing and self-contained breathing apparatus.

6: Accidental Release Measures:

Remove all sources of ignition – No smoking. Ensure proper ventilation and avoid inhalation, skin and eye contact. Isolate spillage from water drainage systems then soak up with sand or other dry absorbent. Transfer used material to a suitable waste container and dispose in accordance with local and national regulations. Wash affected area with detergent and water.

7: Handling and Storage:

Handling: Maintain good occupational and personal hygiene. Avoid inhalation and contact with skin and eyes, Storage: Store in full sealed containers protected from heat, direct sunlight and source of ignition. It is preferable to store in cool conditions between 5 and 20°C.

8: Exposure Controls and Personal Protection:

Respiratory protection: Not generally required in well ventilated areas, Do not inhale vapour, Eye protection: Wear goggles/ safety glasses, Skin protection: Wear overalls and chemically resistant disposable gloves.

9: Physical and Chemical Properties:

Appearance: mobile liquid, Odour: characteristic, Colour: Yellow, Flashpoint °C (closed cup): >100, Density (g/ml) at 20°C: 0.915, Refractive index at 20°C: 1.467, pH: n/a, Boiling point: n/a, Flammability: n/a, Explosive properties: n/a, Oxidising properties: non oxidising, Vapour pressure: n/a, Solubility: not soluble in water, Viscosity: n/a, Vapour density: n/a, Evaporation rate: n/a.

10: Stability and Reactivity:

Stability: Presents no significant reactivity hazard by itself or in contact with water, Conditions to avoid: Sources of ignition, Materials to avoid: Strong acids and oxidising agents, Hazardous decomposition products: oxides of carbon.

11: Toxicology Information:

None available.

12: Ecological Information:

www.specialingredients.co.uk

None available.

13: Disposal Considerations:

Dispose in accordance with national and local regulations, Do not dispose through water or drainage systems.

14: Transport Information:

ADR/RID: Not classified for road/rail transport, IMDG: Not classified for sea transport, IATA: Not classified for air transport.

15: Regulatory Information:

This datasheet is prepared In accordance with Regulation (EC) 1907/2006 and amendments.

16: Other Information:

The information in this data sheet is accurate to the best of our knowledge. This data is provided without guarantee regarding its accuracy. It cannot be assumed that all possible safety measures are contained in this data sheet. Additional measures may be required under varying conditions and circumstances.

The information contained herein is to the best of our knowledge, but since the circumstances and conditions in which it may be used are beyond our control, we do not accept any liability whatsoever, however arising, which results directly or indirectly from the use of the product.
