

Specification

Product Name: Vanilla Pod

Product Code: SPEC0250

Description:

Discover the ultimate vanilla experience with our Exceptional Grade A Bourbon Variety Vanilla Bean Pods, each impressively sized at a minimum of 16cm to unlock the fullest flavour potential. Our natural Vanilla Pods are free from pesticides and grown in an organic manner without artificial fertilisers. Hand sorted to ensure you only receive the highest quality pods, our Vanilla Pods do not contain and are not derived from any GMO ingredients or materials. Our pods are a culinary jewel, imbued with intensely aromatic, floral, and fruity notes. Step into a world of warm, creamy, and buttery bliss that only authentic vanilla can provide. Versatile and opulent, these vanilla bean pods seamlessly infuse a rich, unadulterated vanilla essence into a myriad of creations from gourmet ice cream and divine crème brûlée to luscious baked goods, elegant icings, delectable desserts, sumptuous custards, delicate pastries, velvety creams, and even aromatic beverages.

Material Safety Data Sheet**1: Product Name and Company Identification:****1.1 – Product Identifier**

Substance name: Vanilla Pods

Company Name: Special Ingredients Ltd

Company Address: 4 Foxwood View, Chesterfield, S41 9RN.

Tel: 0044 (0)1246 906247.

E-mail address: <https://specialingredients.co.uk/pages/contact>.

Emergency Telephone Contact: 07387 330318.

2: Hazard Identification:

Health: May cause skin irritation to sensitive skin.

Flammability Classification: Non-flammable.

3: Ingredient and hazards information:

Ingredients Name	CAS Number	Percentage
Vanilla Beans	8024-06-4	100%

4: First Aid Measures:

Eye contact: Not an irritant for eyes

Skin contact: Not an irritant for normal skin

www.specialingredients.co.uk

Ingestion: Not toxic to consume

5: Firefighting Measures:

Flash Point: >100 °C

Extinguishing Media: Water, Foam, CO2 & Dry Chemicals

Unusual Fire & Explosion Hazards: None

Fire Fighting Procedures: Avoid inhalation of smoke

6: Accidental release measures clean up spill or leak procedures & waste disposal method:

Response to spill: Isolate hazard area and remove all sources of ignition.

Waste Disposal Methods: Incineration or sanitary landfill in accordance with local, state & federal regulation.

Eye protection: Not required

7: Handling And Storage:

Store at room temperature approximately 20 °C away from direct sunlight. Protect packaging from physical damage. Maintain packaging in an airtight condition so the product retains moisture and does not dry out.

8: Exposure Controls/ Personal Protection:

Respirator Protection: Not required

Ventilation: Not required

Protective Gloves: Wear standard gloves

Eye Protection: Not required

9: Physical and Chemical Properties:

Solubility: Not soluble

Appearance: Beans

Odour: Vanilla

Colour: Light brown to dark brown

10: Stability:

Stability: Stable

Incompatibility (material and condition to avoid): Excessive heat

11: Toxicological Information:

Not toxic

12: Ecological Information:

No ecological impacts

13: Disposal considerations:

Disposal of spilled materials is accordance with state and local regulations for waste.

14: Transport Information:

RID I ADR: No limitation for road transport

IMDG: No limitation for sea transport

IATA: No limitation for air transport

15: Regulatory Information:

No specific regulations.

16: Other Information:
